Sir,

I enclose herewith a copy of the resolution passed by the Town Municipal Council, Doddaballapur in their meeting held on 5-12-48.

The Municipal Council have resolved that steps may be taken to obtain the Gracious consent of His Highness the Maharaja of Mysore to lay the foundation stone of the Municipal High School Building. Similarly the Town Municipal Council, Hoskote have resolved that the Gracious consent of His Highness the Maharaja of Mysore should be sought to lay the foundation stone of the Municipal High School at their place.

On receipt of these resolutions I consulted the Executive Engineer, Bangalore Division, how the matter stood in regard to the sanction of these buildings. He has replied in his letter dated 28-12-48 that the estimate for the construction of the High School at Hoskote has been sanctioned and that the orders of the Superintending Engineer on the disposal of the tender is awaited. He has also intimated that as regards the High School at Dodballapur the estimate has been forwarded to the Director of Public Instruction and added that matters have advaced sufficiently to justify arrangements being made for having the foundation stones laid. In these circumstances I am requesting the Government to permit the Presidents of the Town Municipal Councils of Hoskote and Dodballapur to take appropriate steps to seek the favour of obtaining the Gracious consent of His Highness the Maharaja of Mysore to visit the respective towns and to lay the foundation stones of the Municipal High School Buildings. The Municipal High School at Dodballapur is estimated to cost nearly Rs.95,000/- and that in Hoskote over Rs.50,000/-.
